For almost 75 years now J. F. Carmichael has been a caring community committed to lifelong learning, and the development of a healthy community and productive citizens. We provide a safe and nurturing environment for our staff, students and their families.

Located in the heart of Kitchener, J. F. Carmichael P.S. serves the established communities of Victoria Park East, Mill-Courtland and Westmount. When it first opened, Carmichael was home to 94 students and four teachers. In 1950, a gym (now our school library) and six more classrooms were added on the west side of the building to accommodate the area's growth, which swelled the school population to 518 students. A second addition was built on the east side of the school building, bringing five more classrooms and home economics and industrial arts departments. Finally, a modern gymnasium was added in 1994.

### Mission

J. F. Carmichael is a community of caring citizens committed to lifelong learning: yesterday, today and tomorrow.

## Real Canadian Superstore

The President's Choice concept was developed by a talented group of food-inspired people who knew back in the mid-80s that Canadians deserved better quality food choices for their hard-earned dollars. The premise was simple: develop unique or superior products that offered better value to our shoppers.

The idea may have been simple, but few could have anticipated how Canadian consumers would come to embrace the President's Choice brand to make it one of Canada's best-known trademarks.

## Zehrs

When Emory Zehr and sons Lester and Clifford opened the first Zehrs store in Kitchener, Ontario, in July 1950, they had one overriding philosophy - put yourself in the shoes of every customer who comes through the door. That emphasis on customer service, along with a policy of offering "good value at a low price," proved a winning formula. More than 50 stores and over half a century of service later, Zehrs is today one of Southern Ontario's most successful retail grocery chains.

### **Caring for our Communities. A Good Neighbour.**

With stores across Ontario, Zehrs® is at the heart of many local communities. We know the importance of making a positive difference in the communities where we live.
