

Code of Conduct

Mission Statement

Here at Courtland, we recognize and honour all identities by actively building relationships and holding space for all of our students and staff, so that they feel connected, represented, safe and supported.

To achieve our goals, the Courtland Community will treat each other with kindness and respect and help others when they are in need.

The Courtland school community will not harm others, including harm with the motivation of hate, discrimination, bullying, cyberbullying or encourage others to do so. We will consistently refer to the Ontario Human Rights Code to ensure the safety of all students.

As per Ministry mandates:

Students will not use a personal mobile device during the school day. It is expected that phones are off and away. Students will not use, share or sell vape, nicotine and/or tobacco products or illicit drugs on school property.

Speak with a staff member if you or someone else needs help.
